

Aikido Summer Camp in Switzerland

15. - 20. July 2019

with
Lewis Bernaldo de Quiros Sensei, 6. Dan
Traditional Aikido Europe

We will cover many aspects of Takemusu Aikido as taught by the late Morihiro Saito Sensei:

- The fundamentals of body posture and movement and the importance of suburi practice in this respect.
- A strong focus on the principles of interaction and connection in Aikido.
- The relationships between basic training forms and more advanced variations and applied forms.

Join us in this immersion residential retreat in the Swiss mountains to explore the many facets of this art!
